

STEM

Aviation For Girls

We are delighted to announce that we will be conducting a **two day Aviation STEM for Girls** program this summer.

This is a partnership between the **Fort Worth Aviation Museum**, the **Fort Worth 99's** (women's aviation group), and **Alliance Airport**.

Session 1*: Saturday and Sunday, June 25 and 26th.
Young ladies 15 to 17 years old

Day One:

- Tour of our museum
- An introduction to aerodynamics
- Parts of an airplane
- Instruments
- Weather
- Careers in aviation and more
- Lunch included

Day two:

While at the Alliance Airport, students will do an aircraft walk around inspection before an actual flight in an airplane. As well as a tour of the FAA Control Tower.

\$40
Per a girl

Tickets can be purchased at
www.fortworthaviationmuseum.com
Under the online store

Upon completion, each girl will receive a certificate and t-shirt to commemorate their flight.

*Limit of 21 girls per session.
